Commemoration Trees at Cannizaro Park

The Friends of Cannizaro Park works in partnership with Merton Council with the aim of maintaining and restoring the landscape, trees and plants of Cannizaro Park for all local residents to enjoy.

Merton Council do all they can to maintain the park infrastructure and to keep the park safe, as well as providing core gardening services.

The Friends of Cannizaro Park was created in 1997 to do more: with the aim of renovating and improving the park, and promoting it as a place for recreation and relaxation for local residents.

While entirely run by volunteers, funds are still needed to improve and renew planting within the park and offer events for visitors.

Commemoration trees are a vital part of this renewal work. Carefully chosen trees enhance Cannizaro's already notable tree collection; they are also one way in which the Friends can raise money for the benefit of the park and all visitors, while enabling people with a strong connection to the park to remember a loved one when visiting.

Thank you for considering commemorating a tree at Cannizaro Park. Your donation will go towards enhancing the park landscape for decades to come, for all visitors to the park to enjoy.

The following pages detail the terms for tree commemorations, an application form and donation details.

The Friends of Cannizaro Park

Terms and Conditions

1. The Friends of Cannizaro Park commemorative tree scheme is intended to recognise donations to The Friends of Cannizaro Park through the planting of a tree for the park with a commemorative tree label.
2. The donation for tree commemoration covers the cost of the tree itself, plus a guide of £300-£500 to cover delivery, planting labour and materials, ongoing care and a contribution to the Friends. Commemoration lasts for the life of the tree.
3. Donations are made to The Friends of Cannizaro Park and do not confer ownership of the planted tree to the donor.
4. Only a small number of trees are added to the park each year so there may be a waiting list maintained by the Friends Secretary.
5. New trees for the park are decided in July each year. The Friends Secretary will discuss with you available locations for new trees within the park. Nearer the time of planting, suitable and available trees, as agreed with Merton Council, will be discussed from which selection is made.
6. Trees are purchased and planted between November and February.
7. Once planted, Friends volunteers will care for and water the trees regularly as needed, for at least the first year and while the trees establish themselves.
8. The Friends of Cannizaro Park tree planting has a high rate of success but please note we are not liable for tree defects or loss of a tree due to planting, weather, vandalism, theft or otherwise.
9. Should a tree die, The Friends of Cannizaro Park will try to obtain a replacement tree from the supplier if possible under the terms the Friends acquired the tree.
10. Donors may have a small plaque fixed to the tree containing information about the tree with space for a dedication. The dedication will display a maximum of two lines of engraved lettering, consisting of no more than 30 characters per line including spaces and punctuation. All wording is to be approved by The Friends of Cannizaro Park prior to engraving. An example image is shown on the next page.
11. To maintain the feel of a park, the plaque will be fixed to the tree itself and not placed on the ground. Examples of the plaques and fixing can be seen on trees at the entrance to the park.
12. Although trees are often donated in memory of a loved one, cremated remains are toxic to trees and risk killing them. It is for this reason that Cannizaro Park does not permit ashes to be placed around the roots or ground by a donated tree.
13. Donors may not attempt to maintain, affix anything to or adjust the immediate environs of a commemorative tree without the agreement of The Friends of Cannizaro Park / Merton Council. Donors may not plant any flora in the vicinity of the tree.
14. It is the responsibility of the donor to contact The Friends of Cannizaro Park to advise of any change of contact details if they wish to be contacted regarding any future updates regarding the tree.
